Simple steps and alternative ways to view video content using your Patreon membership.

1. Download the app on android and iOS and login as a member.
2. If you have difficulty playing videos through the patreon app then do the following.

Solution 1

Logout of your app then login and try again. if this does not work reinstall and have another go.

If you are still having an issue then use the mobile web browser on your device it is the same experience as the app.

Solution 2

3. Open up your mobile browser, Safari , Edge, Chrome or Firefox on your mobile device.
4. Go to the members area and login <https://www.patreon.com/TiskaKarate> then go to collections. As a paid member you have full access. Videos play 100% through a mobile browser and this is another way to view if you have trouble playing a video.

You must be a paid member to view videos.

You can be a member of patreon but to watch Tiska videos you must join or already be a member.
